

Pretour Ars Electronica, Linz

04.10.2021

Highlight - Tour durch das Museum der Zukunft

Um möglichst weit nach vorn zu blicken, braucht es ein Fernrohr. Um aber entscheiden zu können, in welche Richtung man navigieren will, braucht man einen Kompass. "Navigating the Future" hat sich das Ars Electronica Center (AEC) deshalb zum Motto gemacht.

16:00 – 17:30 Uhr Meeting @ Ars Electronica Center

Highlight Tour through the Museum of the Future

Do you want to research, discover, experiment and investigate? Then Linz's museum of the future, Ars Electronica Center (AEC), is the perfect place for you. The UNESCO City of Media Arts at the heart of Europe offers technological pioneering combined with visionary media arts by the Danube. AEC is the gravitational centre of Linz, with its annual festival in September and the renowned Prix Ars Electronica.
